Haven-to-Home (H2H) Canine Rescue's mission is to rescue dogs in need, rehabilitate them in a quality, nurturing environment and rehome them in a loving, responsible, permanent home as soon as possible. We care for our rescued dogs in foster homes which become "The Haven" in the Haven-to-Home Rescue. Since June 2008, we have rescued and found permanent homes for over 1,200 dogs in central PA. Haven-to-Home is a 501(c)3 non-profit organization. We are totally volunteer driven and depend on the time, talent and generosity of our local community.

SUN P.E.T.S. (Prevent Excess Through Sterilization) is an all volunteer nonprofit 501(c)3 organization dedicated to helping solve the pet overpopulation problem in Snyder, Union and Northumberland counties. By helping to finance the cost of spaying or neutering of pets of low-income individuals and families, we can reduce the number of homeless cats and dogs. Through the work of our board, officers and members we have created an annual budget funded by donations, membership dues and fundraising events. The monies raised go directly to our primary mission of spaying and neutering and secondary mission of responsible pet care education. None of our volunteers, officers or board members receives any type of financial payment from our organization. Since 1984 we have succeeded in the sterilization of over 19,285 dogs and cats.
